

“CUCA was truly amazing in making our welcome dinner a successful and fun event!”

Hello Team CUCA! Radius and I would like to say a huge Thank You! Thank you for hosting such a beautiful welcome dinner for our 120 guests. It was such a special experience and a great introduction to Bali for all of our guests. We had first dined at CUCA on our May trip to Bali and wanted to share the delicious food with our friends and family. We knew the food would be amazing, but the team at CUCA were truly amazing in making our welcome dinner a successful and fun event! The food was amazing, the service staff was friendly and attentive and the location was stunning. We are so happy we had the opportunity to host an exclusive event and use both the garden area as well as the dining area. Our experience with the team at CUCA have been amazing right from the the very first email. Talitha and Wika helped us immensely and responded quickly to all our emails. They were able to help us answer all the small detailed questions we had and also offer suggestions to help us plan a smooth and organised party. The team at CUCA are truly amazing and it is evident you care about the guests experience at CUCA.

We have our weekend wedding celebration photos available at www.radius-cathy.com We are awaiting the welcome dinner photos and video from CUCA. Hopefully we receive them in the next couple of days and have them available on the website within the week!

"No words could describe how happy we are to have chosen Cuca for our special day."

To begin with, Mark and I would like to thank everyone at Cuca for giving us the wedding of our dreams. No words could describe how happy we are to have chosen Cuca for our special day. From day 1, you guys have been so great at accommodating us and for that we are eternally grateful. It has been such an easy and amazing process leading up to the big day.

To this day, we still get compliments on how amazing and delicious the wedding food and drinks were. Everyone was amazed at the level of dedication and thought that has been put in, including the fun presentation. We kid you not, our friends and family are still talking about the wedding and raving about the dishes-- some have even gone back to Cuca for round 2! They even concluded that from now onwards, no wedding can compete with ours, especially in the food department! Everyone had a blast, and it's all thanks to you guys. We really wish all the best for Cuca in your future endeavours, and best believe that we will be recommending Cuca to everyone we can. Who knows, perhaps we can celebrate our 10th year anniversary in the restaurant again! :). Thank you so much for everything and we will surely drop by the next time we are in Bali.

"Perfect place for our perfect wedding"

To give you some idea of how much we love Cuca, we first visited 2 weeks after it opened, and loved the experience so much that we then decided to fly over from Melbourne to have our wedding there this October!

I cannot speak highly enough of this amazing restaurant. The other reviews have rightly mentioned how fantastic the food is - the flavours are stunning, the presentation perfect and all our wedding guests said it was the best wedding food they had ever eaten! The setting is gorgeous, nestled in a coconut grove, lush and green.

But what I really love about this place is the people. Kevin and Virginia made every step of our wedding planning fun and easy... no mean feat when doing it all via email! They pulled out every stop to make our day so perfect, and it was absolutely seamless. To give you an example, the staff were so well rehearsed that all our courses hit the tables at exactly the same time, for all 60 guests. We honestly felt like royalty all day, and we will never forget a perfect perfect wedding day.

So thank you Virginia, Kevin, and the Cuca team. We will definitely be back to visit you next year for the first wedding anniversary!
